UGA SBDC business courses, consulting set Atlanta's Anderson Parking up for growth

Ernie Anderson and **Kenneth White** were ready to take their business, **Anderson Parking**, to the next level when they enrolled in the University of Georgia Small Business Development Center's (UGA SBDC) **GrowSmart** course in Gwinnett. The course not only helped them sharpen their strategy but also sparked an ongoing relationship with UGA SBDC business consultant **John Stowell**.

With his guidance, the two improved their management structure, mapped out financial projections, and enhanced their marketing strategy. Today, Anderson Parking has seen 15% year-over-year growth and plans to expand to additional locations in the Southeast. Anderson Parking provides comprehensive valet, door attendant and self-parking management for clients at luxury residences, office buildings and hotels. They offer customer-focused parking and transportation services, including garage assistance, airport rides, car detailing and item transfers. When Anderson, founder and CEO of Anderson Parking, and White, the company's managing partner, first connected with the UGA SBDC, they were eager to take the next steps to grow the business.

"When Ernie told me about UGA SBDC's GrowSmart course, it couldn't have come at a better time," said White. "That's exactly where we were in our growth journey—ready to spend time working on our business and not just in our business."

New Life for Cloudland Canyon: trails getting friendlier and a larger visitor center on the horizon

RISING FAWN, Ga. — Cloudland Canyon State Park, one of northwest Georgia's most scenic and popular outdoor destinations, is undergoing major renovations to improve accessibility and expand visitor facilities.

Construction is currently underway on sections of the park's Overlook Trail, with improvements designed to make trails more accessible for visitors with mobility challenges. Temporary closures and reroutes are expected during the process, and park officials encourage visitors to check the park's website for the latest updates before visiting.

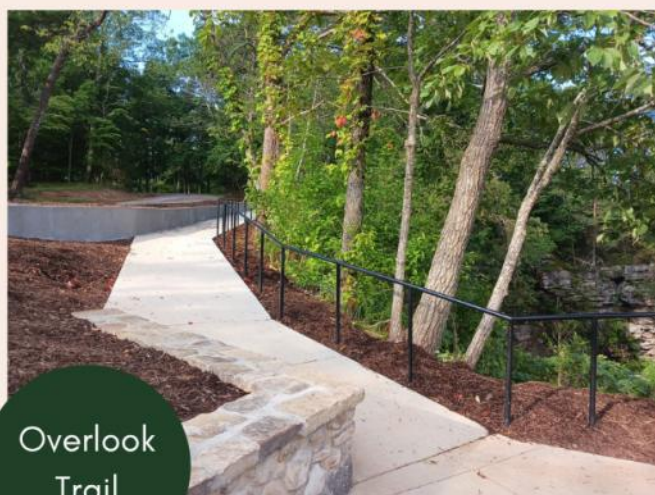

In addition to the trail upgrades, plans are in motion for a new and larger visitor center that will replace the current facility near the park entrance. The new building will feature expanded exhibits, additional space for educational programs, and improved visitor amenities. While the Georgia Department of Natural Resources has not announced an official completion date, local sources note the renovations are projected — and hopefully on track — to be completed by late 2026 or early 2027.

Alongside the renovation work, the Friends of Cloudland Canyon State Park organization is partnering with park staff to assist visitors who use the park's track chair, an all-terrain wheelchair available for guests with mobility limitations. The Friends group also supports trail maintenance, educational programs, and other park activities throughout the year. Anyone interested in volunteering with the Friends group or assisting with trail work and accessibility projects is encouraged to contact Dena Abell at dena@cloudlandcanyon.org for information about upcoming volunteer opportunities.

Park staff emphasize that these improvements are part of a broader statewide effort to make Georgia's natural areas more inclusive and welcoming to all visitors.

Despite ongoing work, most of the park remains open. Popular overlooks, picnic areas, and many hiking routes are still accessible, though visitors may encounter construction zones along the Overlook Trail and nearby sections.

"Cloudland Canyon's improvements will help ensure everyone — regardless of mobility — can experience one of Georgia's most stunning natural viewpoints," a DNR spokesperson said in a recent accessibility update.

For current trail conditions, event schedules, or volunteer information, call 706-657-4050 or visit gastateparks.org/CloudlandCanyon

Dade County 4-H 2025 Chicken Show & Sale of Champions

The 2025 Dade County 4-H Chicken Show will be held on Monday, November 3, 2025 at 6 pm at the Dade County UGA Extension/4-H Agricultural Center.

In May 2025, Dade County 4-H'ers in the 2025 Chick-to-Chicken Project received 10 chicks. They've been raising these chicks into soon-to-be laying hens. During the Dade County 4-H Chicken Show, 4-H'ers will pick out their 3 best hens to compete in the show.

Our Judge will select a Grand Champion and a Reserve Champion Pen of Hens. At the conclusion of the show, the Grand Champion and Reserve Champion pens of hens will be auctioned off to the highest bidder in our 5th annual "Sale of Champions."

We invite you to come out and support our Dade County 4-H'ers by bidding on their hens! The winning bidder of each pen will go home with ready-to-lay hens! The winning bidder may also choose to donate the hens back to the 4-H'er who raised them.

Proceeds from the auction goes back to the 4-Her who raised the hens.

If you need a reasonable accommodation or language access services, contact the Dade County UGA Extension/4-H at 706-657-4116 or dade.extension@uga.edu, at least three weeks prior to the program date.

BULLARD COMMUNITY CHAMPIONS SPOTLIGHT

Amelia Claire Anderson

**The Hawthorn Project
The Alliance for Dade**

Amelia launched The Hawthorn Project, a scholarship and mentorship initiative designed to expand post-high school educational opportunities for students in Dade County. Through personalized guidance and strong community support, the project is helping students envision and pursue brighter futures.

The program began with a kickoff dinner attended by 20 local leaders – including county executives and small business owners – a powerful show of support for Dade County's next generation.

With its first scholarship set to be awarded in Fall 2026, The Hawthorn Project is built for lasting impact, thanks to the commitment of its dedicated community partners.

WHAT IS IT?

It's a free support program created to improve post-high school educational opportunities for Dade County students. It focuses on one-on-one mentorship with a trusted adult to help the student continue their education after graduation.

THE HAWTHORN PROJECT

Meet the co-founders:
local high school seniors LG Wylie
and AC Anderson

OUR GOALS

- **encourage** students to make a positive change in their community
- **guide** students through the college admissions process
- **improve** student access to and attitude towards reliable and trustworthy resources

HOW CAN I HELP?

mentor a student!

- looking for adults with a college degree; all ages, professional fields, and backgrounds welcome- no experience necessary! Training is included.

donate to the project!

- time, talent, expertise, and monetary contributions are always welcome!

spread the word!

- share the post and tell your friends in Dade County and beyond!
